I am teacher, I Love my students!

I live and teach near the round-a bout disaster! It is SCAREY to drive through it already!

Teens DO NOT pay attention after school, I KNOW THIS as a FACT EVERY DAY!

Please don't kill teens and teachers on the Pi'ilani highway in Kihei!!

How could you think for one moment that this might be SAFE!??!

How can you sleep at night?

Sincerely,

Cambria Moss
