RE: DOCKET A02-737, U OF N BENCORP

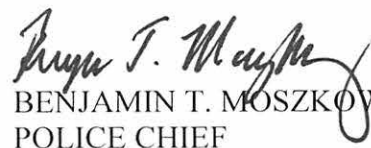

Dear Land Use Commission Members:

This letter serves to highlight the services and accommodations that the University of the Nations Kona Campus has provided to the Special Response Team (SRT) of the Hawai`i Police Department.

For over ten years, they have allowed access and use of various buildings and land on their Kona Campus to SRT to conduct training. As the SWAT team for the Police Department, SRT must remain proficient in specialty skills and training such as active attack events, barricaded subjects, and hostage situations. SRT has utilized the campus to conduct scenarios which has greatly improved our tactics and operations. The use of their facilities has improved community safety and improved our team's operational readiness.

Should you have any questions please feel free to contact Special Response Team (SRT) Lieutenant Aaron Carvalho at 808-960-7501, or via email at aaron.carvalho@hawaiicounty.gov.

Sincerely,

BENJAMIN T. MOSZKOWICZ
