Re: Annual Report for 2022
LUC Docket No. A92-686 – Pu‘ukoli‘i Mauka and Pu‘ukoli‘i Triangle

Dear Mr. Orodener:

We are the attorneys for Kaanapali Land Management Corp. (“KLMC”), a petitioner in the above-referenced docket (the “Docket”).

On behalf of KLMC and pursuant to Condition 28 of those certain Findings Of Fact, Conclusions Of Law, And Decision And Order, entered on May 5, 1993 (collectively, the “Original Decision and Order”), as amended by that certain Order Granting Motion To Substitute Parties And Modify Certain Conditions And Other Matters In The Findings Of Fact, Conclusions Of Law, And Decision And Order Dated May 5, 1993, entered on March 5, 2009 (the “Order of Amendment”) (the Original Decision and Order, as amended by the Order of Amendment, is referred to herein as the “Amended Decision and Order”), we submit the following Annual Report for the year 2022.

I. General Status of the Project

The Petition Area consists of approximately 298 acres of land in Ka‘anapali, Maui, Hawaii and was to comprise a project originally known as “Pu‘ukoli‘i Village”. The corridor for the future Lahaina Bypass Highway bisects the Petition Area. The portion of the Petition Area located mauka of the future highway is referred to as “Pu‘ukoli‘i Mauka” and the portion located makai of the future highway is referred to as “Pu‘ukoli‘i Triangle”.

On January 20, 1993, the Housing Finance and Development Corporation (“HFDC”) certified the Pu‘ukoli‘i Village project under Act 15 (1988 Haw. Sess. Laws) (the “Act 15 Certification”). In accordance with the Act 15 Certification, on March 4, 1993, HFDC and Amfac Property Investment Corp. (“APIC”), the owner of the Petition Area at the time, entered into that certain Pu‘ukoli‘i Village Development Agreement (the “Development Agreement”). The Development Agreement

contemplated, among other things, that HFDC and APIC (collectively, the “Original Petitioner”) would petition the Land Use Commission (the “Commission”) to reclassify the Petition Area to the urban land use district in order to facilitate the development of the Pu’ukoli’i Village project, and that the project would include an affordable housing component as addressed in the Development Agreement.

Pursuant to the Development Agreement, the Original Petitioner petitioned the Commission to reclassify the Petition Area to the urban land use district. On May 5, 1993, the Commission issued the Original Decision and Order.

APIC subsequently transferred the Petition Area to KLMC, an affiliated entity and the current owner of the Petition Area. KLMC and the Hawaii Housing Finance and Development Corporation (“HHFDC”), the successor agency to HFDC, subsequently determined that it was no longer feasible to proceed with the development of the Pu’ukoli’i Village project in the form contemplated by the Development Agreement and Original Decision and Order because the estimated development costs were expected to far exceed anticipated revenues from the sale of developed units. Accordingly, KLMC, HHFDC and the County of Maui (the “County”) entered into that certain Pu’ukoli’i Mauka Affordable Housing Agreement dated April 7, 2008 (the “Affordable Housing Agreement”) which, among other things, revised certain requirements of the Development Agreement in order to facilitate the development of the Pu’ukoli’i Mauka portion of the Petition Area. In addition, the Affordable Housing Agreement contemplated that KLMC and HHFDC would request the Commission’s approval to substitute themselves for the Original Petitioners as the petitioner of record in the Docket, and to amend the Original Decision and Order in order to facilitate the development of Pu’ukoli’i Mauka.

On June 12, 2008, KLMC and HHFDC filed their motion with the Commission to substitute themselves in the Docket for the Original Petitioner, and to amend the Original Decision and Order. On March 5, 2009, the Commission entered the Order of Amendment approving the substitution of KLMC and HHFDC (collectively, the “Petitioner”) for the Original Petitioners as the petitioner of record in the Docket, and amending the Original Decision and Order.

As a result of the Order of Amendment, certain conditions of the Amended Decision and Order now apply only to Pu’ukoli’i Mauka, other conditions apply only to Pu’ukoli’i Triangle, and a third category of conditions apply to both Pu’ukoli’i Mauka and Pu’ukoli’i Triangle.

KLMC is continuing with its efforts to develop Pu’ukoli’i Mauka and to satisfy the conditions of the Amended Decision and Order that relate to Pu’ukoli’i Mauka as summarized below.

With respect to Pu’ukoli’i Triangle, as explained in more detail below, KLMC intends to incorporate Pu’ukoli’i Triangle into the Ka’anapali 2020 master plan (the “K2020 Master Plan”) which KLMC began formulating in 1999.

II. Status of Compliance with Conditions of Amended Decision and Order

The following table summarizes the status of compliance with the conditions of the Amended Decision and Order as of the date of this letter.

In order to facilitate the integration of Pu'ukoli'i Triangle into the K2020 Master Plan, and to allow for consistency across the various future entitlements that will apply to the K2020 Master Plan lands, KLMC requested, by letter dated May 25, 2011, that HHFDC cancel the Act 15 Certification with respect to Pu'ukoli'i Triangle. On June 9, 2011, HHFDC approved the decertification of Pu'ukoli'i Triangle from Act 15 subject to amending the Development</p>
