Dear Commissioners,

This letter is to urge the State Land Use Commission to require any and all businesses and organizations to comply with the laws protecting agricultural lands, including Kauai All Terrain Vehicles and Grove Farm Company.

I am in support of David Crawshaw's efforts to correct and eliminate any inappropriate constructions or grading that has been taking place at Halfway Bridge without proper permits, including the construction of a building and an illegal road in a flood zone.

Thank you for your consideration of this letter and for upholding the law to protect Kauai land.

Aloha,

Robert J. Schleck
