Subject: [EXTERNAL] testimony regarding proposed 450-unit Kona Vistas multiple-family housing project
Date: Monday, January 29, 2024 12:19:22 PM

There needs to be some concurrency regarding this project. Currently traffic is frequently choked for extended periods both morning and afternoon, on the Kuakini / Queen K Highway between Henry Street and King Kamehameha III. To feed another 1000 plus vehicles into this mess is irresponsible. The development should not be approved until we four lanes on the highway all the way from Henry to King Kam III.

Mahalo for considering my viewpoint.
