SUBJECT: Docket No. A92-683, Haseko Royal Kunia, LLC (Petitioner), Motion for Order Amending the Memorandum of Understanding's Offsite Infrastructure Date in Condition A.1, filed with the State Land Use Commission on February 15, 2024.

Dear Mr. Orodener:

The Department of Planning and Permitting (DPP) notes that in the above-referenced motion, the Petitioner's request is to amend the Memorandum of Understanding's offsite infrastructure date in Condition A.1 to be consistent with the Fifth Amendment to Amendment and Restatement of Memorandum of Understanding dated January 10, 2024, between the Petitioner and the State of Hawai'i Department of Agriculture, and to delete the requirement that the Memorandum of Understanding be executed within six months of the Ho'Ohana Solar 1, LLC's Motion for Modification and Time Extension filed November 1, 2021.

The DPP has no objections to the request. Should you have any questions, please contact Dina Wong, Planning Division Chief at (808) 768-8053 or via email at dwong6@honolulu.gov.

Very truly yours,
