Dear Chairperson Kanuha:

Subject: Special Use Permit Application File No. 2007/SUP-6
for an Expansion to Makakilo Quarry

Tax Map Keys 9-1-16: 4, 9-2-3: Portion 74 and Portion 82, 9-2-2: Portion 6

On September 12, 2008, the City and County of Honolulu Planning Commission approved the application of Grace Pacific Corporation, for a State Special Use Permit (SUP) File No. 2007/SUP-6 to allow an expansion and time extension to the existing Makakilo Quarry, subject to fourteen (14) conditions. The Planning Commission also recommends that SUP File No. 2007/SUP-6 supersede the existing Special Use Permit approval and conditions relating to the quarry and associated uses referenced in SUP File No. 72/SUP-1.

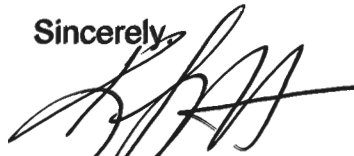

Because the project is in excess of 15 acres, the Planning Commission's Findings of Fact, Conclusions, and Decision and Order, and one (1) original and 15 copies of the entire record of the proceedings, are attached for the State Land Use Commission's review and decision. For your convenience, enclosed is the entire record on Digital Versatile Disc (DVD) and a list of exhibits.
