Honolulu, HI 96819

SUBJECT: Docket No. A90-659 – Lanai Airport

Dear Mr. Otaguro:

Please be apprised that according to our records, the required annual report for 2023 has not been filed with the Land Use Commission (“Commission”) for the above-mentioned docket. The report is required to be filed with the Land Use Commission pursuant to the condition set forth in the Findings of Fact, Conclusions of Law and Decision and Order issued August 26, 1991 (the “D&O”). Annual reports are due prior to or on August 26th of each year.

If the Department of Transportation (“DOT”) desires to cease filing annual reports per the D&O, DOT can file a motion to amend the conditions within the D&O or will need to file a motion stating it has satisfied all the conditions set forth in the D&O and would like to close this docket. Either motion will need to be heard by the Commission. To facilitate this process, you can contact our office for assistance.

Should you have any questions, please contact us, via email at dbedt.luc.web@hawaii.gov or by phone.

Sincerely,

Daniel Orodener
Executive Officer
