Rec. #28160

Mr. Franz Kraintz, Chief
Community Planning Branch
Department of Planning and Permitting
City and County of Honolulu
650 South King Street 7th Floor
Honolulu, Hawaii 96813

Dear Mr. Kraintz:

Subject: Mahi Solar Energy Project
Mahi Solar LLC
Special Use Permit (SUP) 2020/SUP-7
Land Use Commission Docket No. SP21-412
TMK: 9-2-001: 020 (por.)
9-2-004: 003, CPR units 1, 2, and 4
9-2-004: 010
Area: 629 acres
Kunia, Oahu
State Agricultural District
AG-1 (Restricted Agricultural District)

The Department of Agriculture (Department) has reviewed the application to modify Special Use Permit (SUP) 2020/SUP-7 and Land Use Commission Special Permit No. SP21-412 by extending the deadline to establish the solar energy facility by another three years. The reason for the request is due to unforeseen circumstances. The Department has no objections to the applicant's request.

Please note that the Notice of Application's reference to TMK 9-2-001: 003 is incorrect and the zoning district is AG-1 (Restricted Agricultural) and not AG-2.

Mr. Franz Krintz, Chief
