Dear Mr. Orodenker:

**SUBJECT: Petitioner Haseko (Ewa), Inc.'s Motion for Approval of Job Credits
Docket No. A89-651 (Motion)**

On December 23, 2024, the Department of Planning and Permitting (DPP) received the above-referenced Motion from the State Land Use Commission (LUC) on behalf of Petitioner Haseko (Ewa) Inc. (Petitioner). The Motion is to accept 374.78 job credits for calendar years 2022 and 2023, per Condition 1 of the Findings of Fact, Conclusions of Law, and Decision and Order issued on October 17, 1990, as amended. The balance of 575.22 job credits needed by the Petitioner to build 950 hotel or condo/hotel units, pursuant to City and County of Honolulu, Ordinance 93-94, has already been approved by the LUC under the 1994 and 2022 Orders approving said job credits.

Upon review of the motion and the description of the methodology and basis for the job credits calculation, the DPP has no objections to the claims made by the Petitioner and supports their request to the LUC for approval of the 374.78 job credits.

Should you have any questions, please contact Franz Krantz, of our staff, at fkrantz@honolulu.gov or at (808) 768-8046.

Very truly yours,

Dawn Takeuchi Apuna
Director Designate
