Testimony
February 5, 2025
TO: Commissioner Dan Giovanni, Chair Michael Yamane, First Vice Chair Commissioner Kū'ikeokalani Kamakea-Ōhelo, Second Vice Chair and Commissioners of the Land Use Commission
FROM: Mitchell Tynanes Lifelong Resident of 'Ewa Beach
RE: Support for Petitioner's 2024 Motion for Approval of Job Credits as required by the Land Use Commission ("LUC") Decision and Order issued on October 17, 1990.
Aloha Chair Gionvanni and Commissioners of the Land Use Commission,
This development is a major opportunity for our neighborhood. It will create hundreds of well-paying jobs and provide much-needed housing. The boost in tourism and business will strengthen our local economy and support small businesses.
As a lifelong resident of 'Ewa Beach, I value responsible development. I appreciate the work and community engagement that the Petitioner has done over the years. I urge the LUC to prioritize these benefits to ensure the project serves the whole community.
This project will provide significant benefits to our community. It will create hundreds of well-paying jobs, both during construction and in the long term through increased tourism and business activity. These jobs will support local families, offering stable employment opportunities for skilled tradespeople, hospitality workers, and service industry employees. Additionally, the demand for local suppliers and vendors will rise, further strengthening our

economic foundation.

Beyond economic growth, this project will enhance our neighborhood by addressing housing needs. With more condominium units, we can offer more options for families and young professionals looking to call this area home.

This project represents progress, growth, and a stronger future for our town. I urge you to approve it. Mahalo for considering my testimony in support.

Mitchell Tynanes
Lifelong Resident of 'Ewa Beach
